

## ENGINEER IN TRAINING OPPORTUNITY (EIT)

### Application Requirements:

BScEng, BTech or BEng qualification in Chemical, Mechanical or Electrical (Heavy current) Engineering. Bachelor of Engineering Technology (BEngTech) maybe considered subject to relevant workplace experience and/or may require a bridging program before commencing the EIT program. Applicants must be South African Citizens.

### What Does the Program Offer:

Tongaat Hulett is a dynamic, values driven organization that aspires to create the right conditions for our teams and individuals to excel, contribute, achieve their potential and have dynamic career experiences. We do this through a challenging work environment geared for high performance, and the opportunity for career development due to the size, variety and complexity of our operations.

We offer a challenging, structured and self-driven training program meeting the Engineering Council of South Africa's requirements towards registration as a Professional Engineer or Professional Technologist with the possibility of permanent employment after completion and competitive employee remuneration.

Opportunities exist at one of our Sugar Milling, Refining or Animal Feeds operations on the KwaZulu-Natal North Coast.

### What We Look for in Our People:

- ▶ Talented, bright minds who are eager to develop, grow and contribute, with good communication and interpersonal skills.
- ▶ Committed and results-orientated with high energy levels and willing to take initiative.
- ▶ Prepared to adopt challenging roles and take responsibility for specific tasks to address ever-changing business requirements.
- ▶ Ability to perform in a relatively flat organisation structure where a task-based approach applies and where hierarchy/status is de-emphasised.
- ▶ Flexible individuals who are willing to embrace transformation.
- ▶ Highest degree of integrity and honesty.

If you have what it takes and would like to apply for this opportunity, please use the link below to complete your application by the **11 October 2023**.
