

GRADUATE DEVELOPMENT PROGRAMME

Linde + Wiemann RSA, East London Plant is currently seeking graduates for the following departments:
Production and SHEQ for a 1 (ONE) year Graduate Development Programme.

*This programme will transform the graduates into high performing professionals, equipping them to contribute to the economy of the country.
The programme provides the graduates with an opportunity to conduct their work exposure and on-the-job training at our RSA, East London Plant.*

What happens in the twelve months?

The Graduate in Training will be monitored throughout the 12 month period, which includes mentorship and coaching by the relevant Department Manager.

To be considered you need to:

1. Be a South African citizen between the ages of 21 and 35 years.
 2. Clean criminal record.
 3. Have no more than one - two year full time work experience (in their field of study) since graduating.
 4. Have completed a degree-level qualification (related to the field)
 5. Must be computer literate
 6. Ability to problem solve
 7. Communication skills at all levels
- Only applications with relevant qualifications/experience with supporting documentation will be considered.
 - L+W supports the principles embodied in the Employment Equity.
 - This position will be advertised internally and externally.
 - Should we not contact you within 14 days from close of application, please consider your application as unsuccessful.
 - The company may expire jobs at their own discretion.
 - Should you meet these requirements, forward your CV + certification to K.Duna@linde-wiemann.com
